**MOTION FOR DEFAULT JUDGMENT AGAINST AMANDA KAELEBLEIN  
AND GRANT ALL RELIEF REQUESTED IN COMPLAINT**

The plaintiff request under Rule 55 -Default judgment be entered in against Amanda Kaelblein for failure to plead or defend against the complaint. This defendant is ignoring the Court proceedings because she has no defense to apply to the allegations against her.

1. Amanda Kaelblein was served twice with this complaint, once in Woburn Probate Court in Massachusetts on March 12, 2024, And once again on April 24,2024 by Middlesex Sheriff's Office (docketed)
2. See Exhibit 1, Transcripts March 12, 2024
  - a. Page 3 lines 3-7 MS. PADILLA: No, Father has presented some documents today. Mother has copies of everything. He appears to have filed some sort of civil litigation in New Hampshire. I believe it was filed this month—no, I'm sorry, in February, like around the 24th. It has not been heard yet.
  - b. Page 7 lines 3-8 MS.KAELBLEIN: I've had frivolous cases filed on me after every single court hearing that he and I have had. Theres always a new open case. And like I said, hes now suing my mother and my father, me the DOR lawyerfrom Massachusetts; I believe he's also – he's against the state of Massachusetts, which I believe is closed.
  - c. The defendant has known about this complaint for over 90 days, and she has not answered because all of her manipulating the Courts to keep V.S. away from the plaintiff has finally caught up with her.

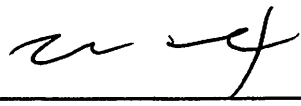

- d. The plaintiff filed a preliminary injunction with this Court with some of the evidence he has. To make this go to trial is a waste of Court resources.
- e. The plaintiff has played a lawyer at the begging of this , missed at least 20 days of work between denied restraining order motions, probate courts (the plaintiff makes over 100 per hour as a union bricklayer) , See exhibit b from plaintiffs therapist—the emotion and mental infliction the plaintiff has suffered through being separated with V.S.
- f. There should also be a change of custody, as Amanda Kaelblein does not have the child's best interest at heart. Any parent who has to fight this hard to see his or her child. is with the wrong parent. For she continues her unhealthy behavior by ignoring this complaint, someone with nothing to hide would answer.
- g. The plaintiff has Constitutional rights as a parent, and V.S. has Constitutional rights as a child that should be protected and enforced by this Honorable Court.

- h. Last, The plaintiff does not know how much emotional and mental abuse this has caused V.S The plaintiff suffered, so we know the child has suffered too.
- i. Amanda Kaelblein was made aware of this motion being filed on May 30,2024. Docket reflects the plaintiff had Middlesex Sheriffs Office serve her.

For the following reasons this motion should be granted , and relief of change of custody of minor child V.S and the sum of a 100,000. Should be granted.The defendant should not be allowed to manipulate the system anymore.

Or in alternative enter the default judgment and set a date for damages, and hearing on change of custody.
